

A vibrant movie poster for Disney Pixar's 'Elio'. The background is a deep blue space filled with stars. At the top center, a large, dark, monstrous face with glowing blue eyes and sharp teeth looms. To the left, a pink, jelly-like alien with large yellow eyes and long, flowing pink appendages looks towards the viewer. To the right, a purple alien with large green eyes and a small, transparent container with colorful beads is visible. In the center, the title 'Elio' is written in large, white, stylized letters, with a glowing orange and yellow circular light replacing the dot of the 'i'. Below the title, a young boy named Elio is shown running towards the viewer. He has a blue eye patch, wears a green t-shirt with a green alien logo, green shorts, and a purple backpack. He is also wearing a silver, perforated helmet with wires and a small antenna. To his left, a large, pink, furry alien with a wide, toothy grin and small horns is running. To his right, a small, glowing, jelly-like alien with a simple face is floating. At the bottom, the text 'ZABAVNA KNJIŽICA' is written in large, white, bold letters.
